

Community events are one of the best ways to organize supporters and rally behind a cause. Txoko Ona is doing everything we can to provide services, education, and support to our Basque and local community through cultural events, language education, scholarships, funeral support, and more. However, we couldn't do the work we do without the help of generous people like you. We're looking for sponsors to help us throw our (new) upcoming event – San Juan Eguna Basque Festival on Saturday, June 25, 2022, at Txoko Ona in Homedale. Below are a few ways that you can help:

- Monetary donations to help cover general expenses
- In-kind contributions of food, beverages, or services for the day of the event
- Volunteer shift by you and/or your family or team on the day of the event

In appreciation of your generosity, we'd like to offer you the opportunity to promote yourself or your business to event attendees and the general public.
